Northwest Top 10 Garden Guide: The 10 Best Roses, 10 Best Trees--the 10 Best Of Everything You Need - The Plants Most Likely To Thrive In Your Garden ... Most Important Tasks In The Garden Each Month

Synopsis

Take the guesswork out cultivating a gorgeous Northwest garden with this friendly, informative guide. Organized into easily accessible chapters ranging from Top 10 Perennials to Top 10 Edibles-with Top 10 guides for annuals, shrubs, bulbs, roses, and more in between-it offers novice and seasoned gardeners alike a comprehensive guide to planning and maintaining a thriving garden in the Northwest. Includes an introduction by Sunset magazine's NW Bureau Chief Steve Lorton plus contributions from well-known Northwest celebrity gardeners.

Customer Reviews

When my family relocated to Washington state from Southern California, we had no idea what we could plant and grow and what we couldn't. We used this book for years, until we moved to Arizona. This book has what you need to figure out what to do in a new climate.

This book contains lovely pictures along with good general information on a variety of trees, shrubs, flowers, shade plants and sun plants. If you want inspiration and motivation to spruce up your garden, this book will help.

We are new to the area and were looking for some help with what we could plant and how to take care of our plants during the upcoming seasons. Wonderful book, just what I was looking for.

I haven't read the whole thing, but it looks good.

Very good for the price. next day arrive. i have bought one before, as the price. great, and very happy.
