Amish Cover-Up (Ettie Smith Amish Mysteries Book 13)

Synopsis

When an Amish apple grower dies while Florence Lapp is visiting him, Florence knows his death was not due to natural causes. Moments before his death, he told Florence that people wanted to kill him. Furthermore, he stated that if he died and it looked like an accident, it wouldn't be. Even though at the time Florence thought he was being silly, she finally agreed that if he died, she would have his death investigated. Minutes later, he was dead. When his death is said to be due to heart problems, and the police dismiss her claims, Florence turns to her sister, Ettie Smith, for help. All Samantha Price books are clean and wholesome reads. Customer Reviews

I always enjoy reading the Ettie Smith series. Samantha Price seems to be a very good writer that keeps a persons interest from beginning to end. I will be glad when the next book in this series comes out. I also commend Mrs. Price for not using cursing or other bad influences that so many books of today have.

Fantastic Read.

Amish Cover-Up by Samantha Price is a very good book and I intend to start reading more of the series with starting later with book one. I started this book then I stopped but had to start again, this book has a way to keep small things in the back of your mind an you will have to come an read some more. I am only going to tell you that you need to get this book and read, there are many ups an downs all threw the story but I can not in faith tell you any more then that, I will tell you I have never been one to read a mystery story but if it is one by Samantha Price I will read, an make a review to let others know that they should take the time an also read. The two Amish sister's sleuths are back. This time Ettie and Elsa May help their sister Florence find out who murdered her late husband friend. Detective Kelly knows these two will get to the bottom of the Who done it. I absolutely love these two sleuths Ettie Smith and Elsa May Lutz characters seem so real when reading about them. I love the humor between them. They keep Dectective Kelly on his toes. I have read every book in this series so far, and hope theirs more to come. The stories are fun to read and keep a person guessing. Samantha Price throws in some twists and turns, so just when you think you figured it out, your wrong. Wish I had one mystery that was my favorite in this series But.... They ALL are Hope you enjoy as much as I have And Samantha Price, hope your writing book 14

Our favorite detectives sisters are back. Samantha Price has outdone herself again. AMISH COVER-UP is a wonderful story about another murder in Amish country. I must admit this one kept me guessing from the beginning to the end. The meanest man in Amish country just dropped dead. What in the world happened to Lousy Levy? Who could have killed him and why? Florence, Ettie and Elsa-May were determined to solve the crime. Samantha always offers a good suspense, but this one is the best "who done it" yet. Get yours today.
